ORGANIZING COMMITTEE

Patron

Dr. T. Madhan Mohan
Advisor
Department of Biotechnology
Govt. of India
New Delhi

Chairperson

Dr. A. Mercy Pushpalatha
Principal & Secretary
Lady Doak College

Coordinator

Dr. R. Shenbagarathai
Associate Professor & Head
Department of Biotechnology
Lady Doak College

Deputy Coordinator

Mrs. R. Priyatharsini
Assistant Professor of Zoology
Lady Doak College

Assistant Professor(s)

Mrs. A. Lourdhu Mary
Ms. K. Sudha
Ms. P. Jennifer
Dr. M. Sivagama Sundari
Dr. J. Ananthi

Mrs. R. Christynal Oliviya
Mrs. Chrisanne Fernandaz
Ms. S. Kalaivani Priyadharshini
Dr. S. Jeya parvathi

Research Scholars

Ms. P. Abirami
Ms. V. Rajeswari
Ms. T. Mowna Sundari
Ms. J. Jennifer Grace
Ms. Jennifer Nester

Mrs. P. Suguna
Mrs. E. Roshan Ara Begum
Dr. G. Ramani
Mrs. S. Sathiyavathi

Technical Assistant(s)

Mrs. K. Bhavani
Mrs. E. Hannah
Mr. S. David Masilamani

Mrs. V. Alamelumangai
Mrs. S. Sathy

National seminar on

Genomics & Proteomics –
A computational approach

6th & 7th of March, 2015

Sponsored By

DBT-BIF (Department of Biotechnology)
Ministry of Science & Technology
Govt. of India, New Delhi

Organized by

Department of Biotechnology
Lady Doak College
Madurai – 625002, Tamil Nadu
About Our College

Lady Doak College was established in the year 1948 by Ms. Katie Wilcox, an American missionary with dedicatory zeal and vision. It has the distinction of being the first women’s college in Madurai, promoting value loaded system of learning, to bring out the wholesome transformation of women. It currently offers 22 UG, 15 PG, 9 M.Phil and 6 research programmes. It always strives to sustain its excellence and quality in higher education. Its challenging curriculum blended with relevant academic and co-curricular programmes, exposure programmes, value based education, international exchange programmes and well developed student support system have placed the college at the forefront in the field of higher education.

Department of Biotechnology

The Department of Biotechnology at Lady Doak College aims to disseminate biotechnology education and research for creation of employment, entrepreneurship and wealth for the community leading to sustainable development. It offers UG, PG and M.Phil course in Biotechnology. It is a DST-FIST sponsored department with the state of the art infrastructure facility to enhance teaching and research activities. It has been recognized as one of the Bioinformatics Infrastructure facility centre by the Department of Biotechnology (Govt. of India) under BTISnet. Over the past six years, the centre has been actively involved in organizing seminars/workshops/symposium for the students, faculty, scientists in order to promote and strengthen biology teaching and research.

About the Seminar

The focus of this national seminar is to bring an array of eminent speakers together from reputed organizations all over India. Bioinformatics is a sizzling field in biological research. The focal point of the seminar is to emphasize the recent trends, advances and future perspectives in the field of Genomics, Proteomics and other related disciplines. The seminar includes plenary sessions, panel discussions that represent comprehensive biological, computational and research interests in the areas of Medical Genetics and Genomics. Thereby, it will serve as a platform to exchange innovative ideas to unravel the hidden treasure in the nature.

Themes
- Overview of Bioinformatics
- Text and Data Mining
- Sequence and Protein Structure Analysis
- Protein Modeling and Simulations
- Genomics
- Proteomics
- Systems Biology

A series of presentations will cover the above mentioned topics by experts from domain of Genomics, Proteomics and Bioinformatics.

Call for abstracts

Abstracts are invited for oral/poster presentation on the above mentioned themes of the seminar. The abstract (200 words; Times New Roman; 12 pt) can be sent preferably by email to ldcmadurai.btisnet@nic.in along with mobile number of the presenting author. Selected candidates will be intimated through mail. General participation is also acceptable with registration. Participants have to make their own arrangements for accommodation.

Participants

M.Sc / M.Tech Students, Research Scholars, Scientists and Faculty members from educational and research institutions.

Registration fee

<table>
<thead>
<tr>
<th>Category</th>
<th>Amount (₹)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students</td>
<td>500</td>
</tr>
<tr>
<td>Research scholars</td>
<td>800</td>
</tr>
<tr>
<td>Faculty</td>
<td>1000</td>
</tr>
</tbody>
</table>

Registration fee should be paid in the form of Demand Draft in favor of ‘Treasurer, KWEA’ payable at Madurai.

Days to Remember:

Last date for receiving filled in forms : 22.02.2015
Date of Intimation : 26.02.2015

Address for Correspondence
