"FAUNAE 16"

OCT 5TH 2016

Organized by

PG and Research Department Of Zoology

"OIKOS CLUB "

WILD LIFE WEEK CELEBRATION

"WORKING TOGETHER FOR WILD LIFE "

ABOUT THE COLLEGE

Lady Doak College , a premier Christian institution and the first women's college in Madurai , was founded by Miss Katie Wilcox an American missionary with dedicatory zeal and vision. Commencing its pioneering service in the cause of women's education in and around the city of Madurai on 14th July 1948 in the Noyes Memorial Gardens, Tallakulam, Madurai, the college has completed 68 years of committed labour of love and learning. Now the college has an enrollment of about 4345 women students, served by a committed and skilled team of about 210 teaching and 132 non-teaching staff. Academic autonomy was granted in 1978, making it one of the earliest autonomous institutions in the country. A challenging curriculum blended with relevant academic programmes and a well-developed student support system has placed the college at the forefront in the field of higher education. The college currently offers 24 undergraduate, 14 postgraduate and 9 M.Phil programmes and Madurai Kamaraj University has recognized 6 Departments as Research Centers. Besides these, PG diploma, 2 diploma and 2 certificate courses are also offered. The college is also one of the first few Arts and Sciences colleges in the State of Tamil Nadu, which has initiated an international student exchange programme for credit transfer. Lady Doak College aims to bring about the wholesome transformation of women with a well-balanced moral, social and spiritual outlook.

ABOUT THE DEPARTMENT

The Department of Zoology is as old as the college. The department offers undergraduate, postgraduate and research programme in Zoology with special in Biotechnology. The department has state of the art equipments and has been recognized by DST-FIST to facilitate research activities thereby promoting and uplifting the status of women in research. Establishment of Bioinformatics infrastructure Facility DBT-BIF and a full fledged lab for animal cell culture that fosters research and development in major thrust areas like *in-silico* analysis, cytogenetics and cancer biology are the milestones in the history of the department. The department has constituted Institutional Bio safety Committee recognized by DBT, Ministry of Science and Technology, Govt. of India and Institutional Animal Ethics Committee as per norms of CPCSEA, Animal Welfare Division, Govt. of India.

JKOS CLUB

The academic club of the department functions to promote the creativity & inquisitiveness of the students. Periodical lectures by eminent scholars & competitions to showcase the talents of students are the regular feature of the club.
