❖ **EQUALITY OF STATUS AND OPPORTUNITY :**

The Program was conducted on February 7, 2019 from 12:00pm-1:00pm at Jx Miller Auditorium. The GUEST SPEAKER was Dr. Anita Tiphange. One of our dept staff and also an inspiring social worker, Students of 1st 2nd and 3rd UG attended this Session. It was really an eye opening session about the Equality of status and opportunities given and denied to the same human race but on different levels on the basis of a discriminatory line drawn by the society called Caste. Questions such as “Why” and “For What” a caste is needed and “What is the purpose of Reservation seats and quotas” and do they really help us? Etc were answered through this session, through activities. Where to place an individual in a Society, Whether on the basis of his power, his position, his disability? Each one of them had different opinions, but at the end of this session they understood whatever may be the factors, equal opportunities should be given to all without partiality. Many Students tried to hit against the stereotypes that they had on a particular caste, religion and many such diverse structures of society. Many took decisions to not get into any institutions through reservation but through merit. They also took an oath to not discriminate against fellow beings as “EQUALITY AND HUMANITY ENABLES UNITY IN DIVERSITY”.
