Inspire Together for Quality Enhancement

About Lady Doak College

Established in 1948 by the American Missionary, Ms. Katie Wilcox, Lady Doak College (LDC) is the first women's college in Madurai and a pioneering institution for women's higher education in South India. Granted autonomy in 1978, LDC has built a distinguished legacy of academic excellence, women's empowerment, integrity, innovation and social responsibility.

With a vibrant spectrum of programmes across Arts, Science, Commerce, BBA, Management, Computer Applications, Humanities and Research, LDC advances education that is transformative, value-centred and future-ready. Rooted in its enduring motto, "Always for Truth" LDC continues to empower women to lead with knowledge, competence, compassion and courage.

About the Conference

The Conference provides a dynamic platform for faculty, academic leaders and IQAC professionals to showcase proven innovations, exchange transformative practices and envision the future of higher education.

As a key initiative under the Teaching, Learning and Evaluation (TLE) Project at Lady Doak College, the conference focuses on evidence-based, outcome-oriented and quality-driven academic practices. Institutions are invited to share successfully implemented best practices that have demonstrated sustained impact for at least three years, enabling meaningful benchmarking, peer learning and institutional collaboration.

The conference seeks to strengthen teaching-learning ecosystems, advance Outcome-Based Education (OBE), build faculty capacity and generate actionable pathways for continuous quality enhancement.

Conference Objectives

- Showcase exemplary Teaching-Learning-Evaluation (TLE) practices
- Benchmark innovative academic practices across Higher Education Institutions
- Promote evidence-based Outcome-Based Education (OBE)
- Strengthen faculty capacity through collaborative learning
- Facilitate networking among IQACs and academic leaders
- Generate recommendations for institutional quality enhancement

Sub-themes

- Innovative Pedagogies and Future-Ready Learners
- Digital Transformation in Education
- Outcome-Based Education and Learning Analytics
- Quality Assurance and Academic Excellence
- Inclusive, Sustainable and Collaborative Learning
