Dear Students & Research Scholars,
Greetings from the Research Centre and Department of Economics, Lady Doak College (Autonomous), Madurai. We, the Department of Economics invite all the UG, PG and Research Scholars of Economics of your esteemed institution to participate in the Student Seminar to be held on October 16, 2025

ABOUT THE COLLEGE

Lady Doak College, founded in 1948 by American missionary Katie Wilcox, is a premier Christian Women's College in Madurai, Tamil Nadu, India. Committed to academic excellence and empowering women, it gained autonomy in 1978. As an Ecumenical Christian College, it offers a holistic education that combines academic rigor with spiritual and moral values, aiming to develop students' intellectual abilities and prepare them for responsible citizenship.

ABOUT THE DEPARTMENT

The Research Centre and Department of Economics at Lady Doak College, now celebrating its **Platinum Jubilee Year**, offers a comprehensive academic programme that equips students with a strong foundation in economic theory, quantitative analysis, and computer applications.

The Department of Economics offers Parallel Baccalaureate UG programmes in both Tamil and English mediums, as well as PG Programmes and a dedicated Research Centre, catering to diverse learning styles. Committed to fostering a culture of research and inquiry, the Department provides students with abundant opportunities for experiential learning through rural camps, library visits, field studies, projects, and internships. With its comprehensive curriculum and hands-on learning approach, the Department equips students with the knowledge, skills, and practical experience needed for successful careers in Economics and related fields.

ABOUT THE SEMINAR

In today's rapidly changing global landscape, understanding the forces that influence trade and economic policy has become more important than ever. One Day National Students' Seminar on Celebrating the Visionary Contributions of Paul Krugman invites undergraduate, postgraduate, and research scholars to actively engage in both academic and creative explorations of global economic dynamics.

Participants will have the opportunity to present papers, create visual and conceptual designs, and take part in thought-provoking presentations centred on contemporary economic issues.
