### **We Are Not The Others: Reflections of a Transgender Arivist**

With a view to sensitise students, The PG Department and Research Centre of English held two programmes in the month of March. “We are not the Others: Reflections of a Transgender Activist” was a discourse hosted by the department on 28.03.2023. Ms. Kalki Subramaniam, artist and activist was the speaker. Her session was moderated by Prof. N Elango. The session proved revelatory to the students to make them more socially conscious and politically aware.
