RESEARCH AND DEVELOPMENT CELL
LADY DOAK COLLEGE, MADURAI
(An Autonomous Institution Affiliated to Madurai Kamaraj University)

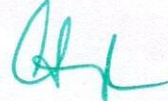

Registration of Research Scholars in LDC Automation Portal

- Candidates should apply online in the LDC automation portal.
- The details of the admission will be sent to the concerned supervisor for the conduct of the interview.
- After the conduct of interview, the supervisor should send the minutes and the request letter to R and D Cell for the release of appointment letter/provisional selection letter along with other essential documents, which the candidate will use for the registration at MKU. This will be approved by the R and D Cell, followed by DAA and Principal & Secretary.
- After the completion of MKU registration process, the candidate should submit the copy of the official registration letter to the R and D Cell and the VP office.
- Then, the student will be provided with an official registration number, ID card, and e-mail ID.
- The date at which the admission letter is provided at LDC will be accounted as the date of fees payment for every year.
