### ABOUT THE COLLEGE

Lady Doak College, a premier Christian Institution and the first Women's College in Madurai, was founded by Miss. Katie Wilcox, an American Missionary with a vision and fervour for the empowerment of women. The College made its humble genesis in 1948, and within a short span of time, in 1978, it was commissioned to function as an autonomous college, being affiliated to the Madurai Kamaraj University.

A challenging curriculum blended with relevant academic programmes, co-curricular activities, exposure programmes and a well-developed student support system has placed the college at the forefront in the field of higher education. Lady Doak College aims to bring about a wholesome transformation of women, with a well-balanced moral, social and spiritual outlook.

### ABOUT THE DEPARTMENT

The Department of Mathematics believes in creating women mathematicians who have a well-rounded personality, in synchronization with the mission of the college to provide holistic education for the empowerment of women, by promoting academic excellence and leadership with a social commitment.

To achieve this lofty goal, the department of Mathematics provides an

- ❖ academically rigorous environment that encourages logical and analytical thinking

- ❖ opportunity to work on community-oriented research projects and develop new results by applying classroom knowledge
- ❖ exposure to regional, national, international Internships, training programmes

### ABOUT THE SEMINAR

Innovations in Mathematics have paved way to new dimensions of understanding and applications. To provide exposure to the various emerging areas in Mathematics, experts working in different areas of Mathematics will be involved to deliver lectures highlighting the recent developments in the field of research.

The main objective of the seminar is to promote, encourage and bring together students, researchers and faculty from different areas of Mathematics. This will provide a forum to exchange academic ideas and recent research works with a galaxy of eminent academicians from India and abroad.

**VENUE**  
**JX MILLER AUDITORIUM,**  
**Lady Doak College.**

### ABOUT THE SPEAKERS

Dr. M. Murugan is the Director (Academic and Research), PSY Group of Institutions, Madurai. His area of specialisation is "Graph Theory and Algorithms". He is an active researcher. He has published many papers both in National and International journals. He has authored many books in Mathematics and Tamil.

Dr. Athmanathan Senthilnathan is a Post-Doctoral Associate in the Department of Ecology and Evolution, Stony Brook University, The State University of New York. He was awarded the "Tom Hallam Award" for being the outstanding graduate student with interest in Math Ecology and Environmental Ecology.

Dr. Thangaraj Beula, Associate Professor & Head of the Department of Mathematics, T.B.M.L. College, Porayar has more than 37 years of teaching and 12 years of research experience. Her area of specialization is Fuzzy Topology and has produced 17 Ph.D. graduates. She has published more than 100 research papers in reputed journals.
