# Online Faculty Training Programme on Mathematica

Department of Physics

Lady Doak College

10.4.2023

A faculty training programme on Mathematica was organized by the department of Physics on 10.4.2023 from 10 AM to 1.00 PM in online mode. The resource person for the session was Prof. G. Govindaraj, Professor (Retd.) and Dean, School of Physical, Chemical Applied Sciences, Pondicherry University. 17 faculty members from the department of Physics attended the programme and were benefitted. After providing a brief introduction to Mathematica, the resource person gave a computational explanation of a few simple but interesting Physics problems and conceptually difficult ideas of Physics and their symbolic mathematical formulation. He also gave a demonstration on plotting the evolution/dynamics of systems with different interactive parameters.
