Name of the Programme	Skill development program on 'Wealth from Waste' on 03.03.2023 at 1.00 pm - 3.00 pm		
Programme for	II UG students, Departments of Biotechnology		
About the Programme	<p>WEBS and SIBS Club, The Department of Biotechnology jointly organized a skill development program on "Wealth from Waste" on 03rd March, 2023. The resource person invited for the workshop was Mr. Andichamy. The programme commenced with a welcome address by Ms. Dharshini Priya of II B.Sc. Biotechnology. Dr. P. Suguna, Assistant Professor, Department of Biotechnology introduced the resource person and facilitated the gathering throughout the workshop. Mr. Andichamy explained about the variety of art products such as bamboo tumbler and coconut shell cups that can be made out of waste byproducts. Students were engaged with hands-on crafting throughout the session. He taught new techniques and media for the preparation process along with measures that should be considered while choosing the materials. He also shared about his interest with craft making during his break from work. The session was concluded with honouring the resource person and vote of thanks by Ms. Sri Uthra of II B.Sc. Biotechnology.</p>		
Organizing Team	Dr. Kalaivani Priyadharshini & Dr. P. Suguna		
Date & Time	3rd March, 2023 1.00 pm to 3.00 pm		
Venue	UG Biotechnology Lab
